Thank ***YOU!***

We just do not know what else to say! You have put the smile on the faces of so many deserving ladies!

What an amazing effort from all of you!

Oaks Day Wrap

5 tables of beautifully dressed ladies and gentlemen enjoyed a very happy and successful Oaks Day.

Graham and Michael kept the sweeps running smoothly all day – thank you to both of you for an outstanding job. We could not run this without you both!

Thanks to John Vincent who kindly ran up and down stairs putting on bets for some of the ladies.

Thank you all for your support.

***Hopefully you all received your notice about the Christmas Break-Up!
We do need your responses back by November 28 which is definitely the final
booking/paying day.***

***Again we will be collecting items suitable for hampers for the needy,
please ensure items are in date and non perishable. We cannot accept
alcohol for these hampers.***

***Don't forget we will be drawing the signed jumpers from our two sponsored
players this night. Tickets \$5. Robyne has these.***

***Of course we will have lots of raffles and door prizes to win, this promises
to be our best Christmas Party ever!***

2012!

We are already planning for next year. So please take a note of the calendar and jot down the dates in your new diaries.

We will continue with the lunches at different venues, the nurseries are popular but we have been given a few different places to try.

A small but happy group met at Warran Glen for lunch on Tuesday October 18th. A delicious meal, lots of chat and a relaxed couple of hours was enjoyed by this group.

Congratulations!

To Joy (and Ian) King on the safe arrival of their first grandchild – Oliver! Well done Nana.

You will see our first “evening” date on Tuesday 13th March next year. This is hopefully a way of our members who work to get together socially. We will run these through the year depending on the success of the nights. Try and encourage your daughters, friends etc to come along and meet other like minded ladies, have a drink, have a meal whatever - a very informal night. It would be fantastic if these nights ended up as successfully as our morning teas are.

Congratulations!!!! Number 2

Thank you to Lyn Sutton for the wonderful effort in collecting a mountain of bras and undies for less fortunate girls and women overseas. Lyn's enthusiastic spirit pushed our target beyond anything we could have imagined. Well done Lyn. From Thornbirds Committee and all our members.
