President's Report

2010 has been a business as usual period in the history of the Association

Although we have not had a major function this year we have maintained a steady approach to our financial and social endeavours.

We have continued circulation of our newsletter, and added to its content with the advent of some very generous sponsorship. I would like to formally thank Kelly Considine of Kellie Jane, John Kilpatrick & Gary Young from Natural Pools, David Hall from: Field and Hall Electrical Contractors and Russell Morris from "Redtxt" for their contributions to our association.

Our Annual Generations Dinner was once again enjoyed by members. We were extremely well entertained by well known Hawk supporter and Aussie Cricketer Damian Fleming. We thank Damian for giving up his time to join us on the day.

The two trainers' nights were held in our Past Players Room and well attended by members. It's an opportunity, with the knowledge of our guest speakers, to get a wonderful insight into the workings of the good old days and the characters that made such an indelible contribution to our football club over the years.

As it has been in previous years, your committee worked tirelessly to ensure the ongoing success of our Association. So may I formally thank them all and, in particular, our Vice President Ian Paton, Secretary David Wanless and Treasurer Bob Calwell. They once again have done a terrific job. To both our Hawthorn reps, Greg Cook and, in particular, Mike Warren, who does a lot of unnoticed leg work, my sincere thanks.

Finally, as we steam towards the end of 2010, may I take this opportunity on behalf of the committee to wish you all a very happy and peaceful Christmas and we will look forward to another exciting year in 2011 both on and off the field.

John Kennedy Jnr
President

Secretary's Report

2010 has been a busy year for your Association, as the Committee continues to encourage membership, foster fellowship, assist with welfare issues and streamline avenues of communication with the members.

Functions held this year include the Generations Lunch, Trainers' Nights and the Pre- Grand Final get together were successful and enjoyed by all who attended.

In 2011 the Association looks forward to being part of the 50 Year Celebrations for the 1961 Premiership Team and the coming together of members to enjoy and relive this great achievement.

As Secretary, I would like to take this opportunity to acknowledge John Kennedy Jnr (President) for his excellent ongoing contribution to the Association backed up by Ian Paton (Vice President) and Bob Calwell (Treasurer). Special mention to Bob Moore (Match – Day Co-ordinator) and members of the committee.

The Association acknowledges the Hawthorn Football Club Executive, Football Department General Manager Mark Evans, Greg Cook General Manager Consumer Services and Community and Mike Warren Community Relations.
