## Hawthorn Football Club Past Players & Officials Association

Patron: John Kennedy Snr

Dear Past Players and Officials

On behalf of the Hawthorn Football Club Past Players and Officials Association, it gives me great pleasure to invite you to join our Association in season 2011.

As a past player or official at Hawthorn and part of the Hawk's history, I'm sure you are keen to keep in touch with former players, officials and friends and follow the fortunes of our club this season.

As President of the HFC PP&OA, working with Vice President Ian Paton and our Committee, I am delighted to be part of this group. Our challenge is to provide quality functions and relevant means to maintain the fellowship of our members and I urge all past players and officials to assist by becoming a paid up member.

As a financial member of your Association, you not only have opportunities to connect with fellow past players and officials, but will also play a major role in assisting the development of a welfare fund being established by the Association.

Enclosed is a Membership Application Form for you to complete along with a reply paid envelope. Payment can be made by cheque or by simply ticking off the renewal payment plan option. I look forward to welcoming you to the many occasions we will gather as a group during 2011.

JOHN KENNEDY Jnr  
President, HFC PP&OA.

### SCOTT: IT'S TIME TO BECOME PAID UP

As a former captain and now a past player of the HFC I urge all Past Players and Officials to become a financial member of the HFC PP&O Association. By being a financial member you directly assist in promoting fellowship within our group and strengthen the association's ability to provide support with welfare issues. Become a financial member now.

DON SCOTT
